Daily Reading Goals

- Read the passages aloud.
- Summarize the passages. Does everyone agree with the summaries? Were there any major points missed or incorrect in the summaries? Reread if necessary.
- What do the passages reveal about our God and King?
- What do the passages tell you about how people relate to God? Also, how *should* people relate to God?
- Since this is God's Word to us, is there anything in your life that needs to change in order to obey His Word?
- Who in your life would benefit from reading these passages with you for better understanding about our God? Ask them if they'd like to read with you.

Some of the **ATTRIBUTES OF GOD** to look for in the passages:

- Holiness
- Righteousness
- Justice
- Sovereignty
- Eternality
- Immutability (Unchanging)
- Omniscience
- Omnipresence
- Omnipotence
- Love
- Truth
- Mercy

End your time together by

- Talking about the highlights of your day
- Talking about things that stressed you out today
- Praying in light of the passages, highlights and stresses of the day. Submit everything to God.
